CLERK: 26 ayes, 0 nays, Mr. President, on the motion to advance 1007.

SPEAKER NICHOL: The bill is advanced. LB 672.

CLERK: Mr. President, 672 offered by the, by Senator Lamb. (Read title.) The bill was read on January 4, referred to Public Works, advanced to General File. There are committee amendments pending.

SPEAKER NICHOL: Senator Lamb, are you going to handle the amendments?

SENATOR LAMB: Yes. Mr. President and members, this is a bill that has to do with the water rights and it adds another provision as to why a water right can be denied. I would move the committee amendment. It merely says that it removes the financial consideration and it's pretty obvious that the parties are not going to agree unless they have already discussed the financial considerations. I would move the committee amendment.

SPEAKER NICHOL: Any discussion on the committee amendments?
